

After Dark Events in Badock's Wood

Friends of Badock's Wood have organised 3 events that will take place in the evening, after dark, in Badock's Wood.

This is an opportunity to enjoy some of the Hidden Treasures of Badock's Wood with expert leaders.

All events are open to all, but children must be accompanied by an adult. The events are free but donations are welcomed.

All walks start at the Northern Gateway entrance by the mosaics, Doncaster Road. Please dress appropriately for the weather (it gets cold at night) and wear shoes for uneven/muddy surfaces and bring a torch to help you find your way round.

Friday 4th August 9.00 - 10.30 p.m.

Night-time Moth Hunt with Ray Barnett

As dusk falls the nocturnal insects take over. Like moths to a flame, come and discover the amazing variety and beauty of the insects attracted to the bright lights operated by the Bristol Moth Group but bring warm clothing and a torch!

Friday 15th September 7.00 p.m.

Bat Talk and Walk

Meet at 7.00 pm in The Greenway Centre, Southmead

An introductory bat talk followed by a walk in Badock's Wood after sunset to see and find bats using bat detectors.

Led by Matt Hobbs & Jane Cole (FOBW/Avon Bat Group)

Friday 6th October 7.00 – 8.30 p.m.

Owl Prowl

Led by Dave Knowles from the Hawk and Owl Trust
